GET READY TO SET YOUR CLOCKS FORWARD ~ DAYLIGHT SAVINGS IS MARCH 12.

God's 'very good' creation is tarnished by man's rebellion, and despite God's patience and mercy, man continues his rebellious ways. Could this mean the end of the story? Absolutely not! God doesn't stop pursuing a relationship with His image bearers, but now He must change His approach. Instead of trying to influence all of creation, God gets very personal: one man, one family, one epic promise that would bring hope through His Son.

PERSONAL STUDY GUIDES - "WHAT ARE THEY FOR?"

Our focus in 2017 is on becoming stronger disciples of Jesus Christ. A big part of discipleship is for each of us to learn, understand, and apply God's truth from Scripture. It's a responsibility we each carry, but we don't have to do it alone.

That's where the **Personal Study Guide** comes in. By working through the guide during the week (alone or, preferably, with others), you will learn and understand God's truth and be encouraged to apply it to your life.

So if you haven't done so, we want to invite you to pick up a **Personal Study Guide** for our current unit in the Lobby today and begin with Session 3 tomorrow. I know you won't be disappointed. In fact, I know God will bless your effort and accelerate your transformation into a stronger disciple!

FOSTER/ADOPT PARTNERSHIP

We are excited about the progress in our relationship with **Nightlight Christian Adoption** and look forward to seeing how God will use this partnership as a blessing. Many of you expressed interest in our dessert night, but were unable to attend last night. That's okay—there is still plenty of time to get connected.

If you are interested in learning more about the partnership, being an "Angel Family", or have any other questions about Foster/Adoption, please contact Pastor Steve and set up a time to meet. He will be glad to answer your questions and explore opportunities with you. You can reach him at smccarthy@lbcc.org or 970-660-4078.

STUDENT
IMPACT

A NOTE FROM RYAN

Parents,

We have been learning, discussing, and wrestling with applying God's truth in our lives, and we have experienced amazing growth in both our middle school and high school students. This growth has hopefully created moments for you and your student to have faith discussions in your daily life.

We are excited to offer summer camp experiences through CIY (Christ in Youth) that are designed to propel students even further! What a great time to be in prayer for your student's growth this summer. Registration is going on **NOW** and there is limited space. Pick up registration packets for CIY-MIX middle school camp and CIY-MOVE high school camp at the Student Table in the Lobby or by contacting the Student Impact Department.

Keep connected through Student Impact **REMIN**D. Contact the Student Impact Department if you need assistance signing up for **REMIN**D, or to receive current notifications on all student events.
